### By car from A27 West (Southampton and Portsmouth)

Exit M27 at Tesco's roundabout (first exit) on to Cathedral Way (A259).  
At next roundabout take third exit on to Via Ravenna (A259).  
Continue straight over mini roundabout (with Waitrose on your right).  
At next roundabout take first left on to Orchard Street (A286).  
Continue straight over next roundabout up Orchard Street.  
The next roundabout is where Design Distillery is located (you will see our offices on your right as you arrive at the roundabout).  
Unless you can park at our offices, take the third exit into the large car park.  
From the car park, walk back towards town, go through the underpass and walk round the south side of the roundabout (past fireplace shop).  
We are the building with the grey glass doors and the two parking bays.  
Through the door up the steps on the left and continue up to the top floor.

### By car from A27 East (Brighton)

Exit M27 at Pizza Hut roundabout (second exit) on to Portfield Way (A285).  
At next roundabout take first exit on to Westthampnett Road (A285).  
Continue straight over mini roundabout.  
At next roundabout take second exit on to Spitalfield Lane (A286).  
Continue straight over next roundabout up Oaklands Way (duel track).  
The next roundabout is where Design Distillery is located.  
Unless you can park at our offices, take the third exit into the large car park.  
From the car park, walk back towards town, go through the underpass and walk round the south side of the roundabout (past fireplace shop).  
We are in the building with the grey glass doors and two parking bays.  
Enter through the door up the steps on the left, to the top floor.

### By train

From station walk into town up South Street.  
At the market cross continue up North Street to the end.  
At the the end of North Street turn left and walk 100yds to our offices.  
We are in the building with the grey glass doors and two parking bays.  
Enter through the door up the steps on the left, to the top floor.

**Alternatively call us from the station and we'll come and get you.**
